FIRST DISPATOR.

NEW YORK, January 6.—James Piak, ir., was shot twice in the breast by Edward Stokes, at the Grand Central hotel, at the put to-day. The affair took place in the vestibule. First was assisted to a chair. It is thought be cannot survive. Stokes was arrested and conveyed to the fifteenth precinct stationbouse. First had get alighted from his carriage and engreed the hotel when he was abot.

In a light of the shooting of Fiak has the state of the city and has produced in tense excitaments. There is a was crowd of people around the Grand Central hotel, where Fiak is tylen in a very critical condition. Lis probable that S okes was in an exthe Ozark mountains, clied state of all so, caused by the proceedings at Yorkville, where he was a witness to day in the Manafield libed suit. For some time he is said to have been in a nesperate state of mind, evidently award by the slow progress of the case of the advice of his counsel, ex-indge of the industrial to make on the advice of his counsel, ex-indge of the road completed or projected can effect — an object that is vital and absolutely essential and absolutely essential to the prospection against the assault, and commissoration against the assault, and commissoration against the assault, and commissoration for the victim.

Dec. Wood and Walls and others are in

tion for the violim.

Drs. Wood and White and others are in allendance on Fink. His twound is pronounced dangerous. There do considerable nervous prostration, but neither portance of Memphis hemorrhage nor inflammation have yet as a cotton market, but will bring it into the world as a great mart for the interchange of the products live over night. change of the products of the northwest and southeast and southeast and southeast and that balling in his last attempt he had, like a coward, shot Fisk. He also day he was perfectly cool and collected.

Can't A was and the court to-day he was perfectly cool and collected.

THE MISSISSIPPI LEGISLATURE | nished by their enter-What the Black-and-Tan Law-Bivers Ac- make Memphis the plished Yesterday.

Jacuson, January 8.—In the senate bills were introduced as follows:

A bill affecting the northern portion of dississippi. Special to the Appeal.] A bill to protect owners of stock along in our railroad system Ince of raircoads.

A bill to relation to contesting elections.
A bill to change the time of holding circuit court in the first district.
A bill to smout several acts concerning the Grenads, Honston and Eastern rali-

A bill to change the burden of proof in waste places and de-A bill to amend an act to incorporate ral resources. We the town of Hernando, Desoto county.

A bill to provide for the publication of a digest of the Mississippi land reports.

A bill to amend an act to ancourage intivation of the soil.

These will be drawn to another the portion of the soil. A fell to amend an act to encourage the read in improvements in Mississippi.

Mr. Morgan introduced a resolution for the legislature to adjourn on the libto for the legislature to adjourn on the libto for the month of them only by building After a further introduction of minor adjourned until a road that will brine Monday.

The governor's veto on the following completed, and bills was sustained by a vote of twenty-farmers, fruit-grow-

the vector has been read and the same substance, much enthusiasm prevails.

In the house little attention was paid to anything but the introduction of bits of a minor character, the apportionment of the governor's message, and the sustaining of the governor's vector of Richardson's infamous bill.

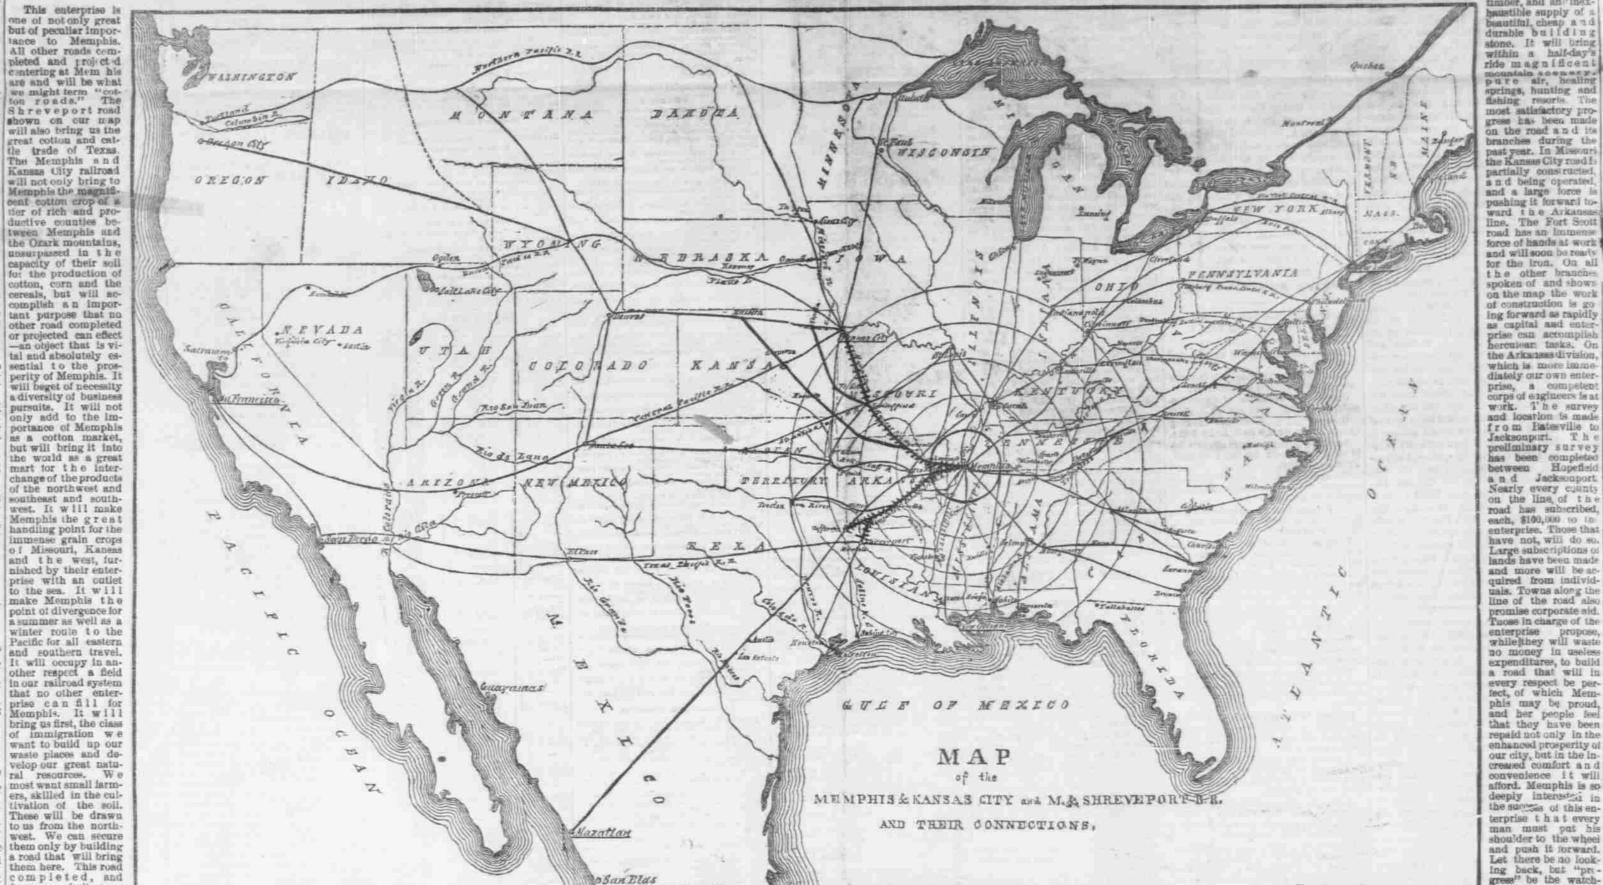

Aloors addressed the legislature last night, and bersted his party for its seeming instattility.

Juhn McGull, formerly of Memphis, was elected president of the Printers' union. The sinction for State printer takes place on Monday, the 224 instant.
